As a citizen who has been the target of never-ending **#Hate**, **#Harassment**, **#Retaliation** conducted by the leaders and directors of the HIV community in charge of administration and deliverance of services funded by the **#RyanWhiteCareAct** -- take this post

[<https://www.linkedin.com/feed/update/urn:li:activity:6512212976974598144>] and run every single link. There is one link that randomize selects from a set of 10 community awareness messages. You will have to run that link multiple times. When you have done that, you now have "moral agency" to begin an **#Investigation** -- if you do not do that upon this request [that has supplemental actual submitted fbi complaints filed in two location on my web domains : [<http://webdomains.realuphuman.net/fbi.gov/>] and [<http://webdomains.fuckeduphuman.net/fbi.gov/>] along with these over the top government dataset documentation records [<http://webdomains.realuphuman.net/hhs.gov/>] [<http://webdomains.realuphuman.net/hiv.gov/>] [<http://webdomains.realuphuman.net/hrsa.gov/>] and a statement to the american public found here [<http://webdomains.realuphuman.net/yale.edu/>] -- if FBI does not follow up this chain, the FBI are involved in a cover-up conspiracy and **#MassShootings** is the result.
